“ Hi all. This is Rick Parsons. Carey was my best friend in Bradenton from the time I met him till the time he moved to Tenn. We were two peas in a pod the way we enjoyed life. I was also his roommate for several years , so there wasn't much we didn't know about each other. Golf was our passion , and there wasn't one time that we didn't give it all we had. He was a good person and all around great friend that would do anything for anyone that needed help. There is a golf hole here at Trillium in NC called Hawks View. Carey loved that hole. He used to come here to play and couldn't wait to see the view, and birdie that hole. I will miss him dearly, but the memories will never leave me. God bless you my friend. Love Rick

“ He was kind, loving, generous but most of all he was fun! Carey brought a ton of laughter and joy to our family. You could never be sad with him around. I miss him already. I'm proud to say he left us knowing he was very much loved. Go rest high on that mountain big brother. I will see you again someday! Your loving sister.
